HYPERION TONER

Hyperion toner cartridges are built with only the highest quality components and strict quality control procedures. Because of this we have complete confidence in their performance and reliability.

HYPERION INK

All inkjet cartridges are produced through a detailed remanufacturing process including disassembly, cleaning, filling, component replacement and quality inspection. They are post-tested to ensure you receive a high-quality product.

- ✓ STMC and ISO 9001 Certified
- ✓ 100% Performance Guarantee
- ✓ Superior Customer Service Support
- ✓ Full One Year Warranty
- ✓ OEM Equivalent Yield & Print Quality
- ✓ ISO/IEC 19752, ISO/IEC 19798 and ISO/IEC 24711

All Hyperion Imaging Supplies are **100% guaranteed to meet or exceed the specifications of the higher priced printer manufacturer's brand**, producing the same number of page count output. Use of Hyperion products will not void your printer warranty and are money back, satisfaction guaranteed for up to one year from date of purchase.

Environmental Responsibility is a key mission of Hyperion Imaging Supplies. Whether it is through use of post-consumer content or easy to use recycling programs, Hyperion works to reduce landfill waste and carbon footprint. Please refer to our Environmental Responsibility program for more details.
